CLEARINGHOUSE RULE 98-043

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated October 1994.]

2. Form, Style and Placement in Administrative Code

Section NR 25.06 (2) (f) (intro.) should be numbered subd. 1. because it does not contain introductory material. The remaining subdivisions and cross-references should be renumbered accordingly.

5. Clarity, Grammar, Punctuation and Use of Plain Language

a. In the table following s. NR 25.05 (1), in the text relating to Lake Michigan, “¹” should be inserted after “At all times” to be consistent with the text relating to Green Bay.

b. In s. NR 25.06 (2) (f) 5., “, respectively,” should be deleted. Also, it appears that “except that all nets in the water shall be lifted under s. NR 25.09 (2) (a) 10., and the legal fish in the nets harvested” would be clearer as “except that the legal fish in the nets in the water lifted under s. NR 25.09 (2) (a) 10. shall be harvested.”
